

Convention Sponsorship Information

Dear Associates,

Thank you so much for your involvement with INLICA! Words cannot express our gratitude for your faithful donations. January will be here before we know it and I need to begin preparations. INLICA is once again seeking sponsorship for our State Convention. We have been able to keep our hotel rates at a minimum but of course our main expense is incurred with meals and activities. The following is the break-down of sponsorship levels:

Convention

Green- Up to 299.00

Bronze- 300.00-599.00

Silver- 600.00-799.00

Gold- 800.00 and Up

Platinum- 2,500 and Up

Of course, any and all donations are very much appreciated. We will be at a new location this year, one that will also allow us to have a hospitality room ☺. There won't be a specific sponsor for this, but we are encouraging all vendors to help "stock the bar" so to speak. Feel free to carry in any beverages/snacks that you (or your customers) might enjoy. Please note that vendor introductions will be Friday morning immediately following breakfast, however, all associates are invited to participate in Thursday evenings cornhole tournament. I would also like to extend to you again, the opportunity to mail me some business materials/literature that I will include in each packet that the attending members will receive during convention registration. These could be sale flyers, coupons, surveys, handouts, etc. I would ask that you have these material to me by January 19th to allow time to put the packets together.

Listed on the following sheet are the main expenses that LICA incurs during convention. If you would like to cover one or more of these items, please indicate that on the page and return it back to me with your booth registration. If you would prefer to make a general donation to be used as needed, that is fine as well. All donations are greatly appreciated and will be recognized. If you have any questions regarding sponsorship (or anything else for that matter) please do not hesitate to give me a call! Once again, Thank You for your support of INLICA!
